Rod Gastineau

Imagine yourself transported back in time . . . Back . . . Back . . . Back to the days when Greece was in her glory. Living in the City-State of Sparta, your days are filled with endless activity. Constant training is the byword . . . military training, domestic training, and training in citizenship. Everyone must pass rigorous exams, both mental and physical. Frequently, you attend an exhibition in the stadium. Sometimes the boys show off their military prowess. Occasionally the men have chariot races or other tests of skill and cunning.

All of these events are to prepare young Spartans for their roles as citizens, warriors, and scholars. Your role as Spartans at Camelback High School is much the same as those of long ago. In the following pages, we present a panorama of your preparation for adult life.

So moved they calmly to the field,
Thence never to return,
Save bearing back the Spartan shield,
Or on it proudly borne.

# DEDICATION

Miss Georgie Hunter

"I had devoted the labor of my whole life . . . to the slow and elaborate toil of constructing one single work"* — that of guiding the minds of young Arizonans along more enlightened paths.

It is with deep appreciation and in recognition of her inspiration and service to all seven classes of Camelback students that we dedicate the 1960 Shield to Miss Georgie Hunter.

A native of Cloudcroft, New Mexico, Miss Hunter received her bachelor's degree from New Mexico State Teacher's College and her master's degree from Colorado State College.

Upon her retirement at the end of this year, she will leave the students, alumni, and faculty with memories of a wonderful and faithful friend.

# IN MEMORIAM

Miss Joyce Fong

Mr. David Butler

The memory of a friend brings sorrow,
But who can tell, for on the morrow
Happiness is theirs, we find;
So let us rest at peace of mind.

The lives of two we knew are gone,
A place of love now they call home.
Forever more their smiles will shine,
For they have found a place divine.

Never ceasing is friendship's way,
We'll meet again some other day.

—Ken Kerner

JOHN L. TANNER, PRINCIPAL

Camelback High School has been a very significant part of your lives. For at least seven hours a day, one hundred seventy-two days out of each year, you have worked together, broken bread together, played together. Classmates, teammates, fellow club members, teachers and many other acquaintances around the campus have helped to shape your pattern of thinking, your attitudes, your personalities, and your reputations.

Many of you have begun friendships that will last a lifetime. Here many have enjoyed experiences that will never be forgotten. Some have felt the pain of heartaches, disappointments, and failures. Others have felt the exhilarating joy of success, cheerfulness, achievement, and advancement.

The following pages will suggest how you lived your 1959-60 school year. The leaves of this book will remind you of some things about which you wish to be reminded, some things about which you do not. Nevertheless, the people are real and the events actually happened. They are as much a part of you as the hair on your head, the fingers on your hands, or the thoughts that race through your mind. Even if you were desirous, you could not alter them now. You can only try to understand.

I trust that this year was an agreeable, harmonious, and refreshing one. I hope you will remember it always as one of the pleasant highlights of a prosperous and worthwhile career.

John L. Tanner

Mr. Louis E. Burnett

As Assistant Principal for Educational Services, Mr. Burnett has many varied duties. For the seven years of Spartan history, he has been responsible for the school curriculum and has handled all the problems of enrollment. He has the never ending job of assigning students to classes, assigning teachers to their subjects, and acting as chairman for all the department heads. Although his schedule is very full, Mr. Burnett can always find time to help anyone who needs him.

Mr. Woodrow F. Le Sueur

Mr. Le Sueur, a native of Eagar, Arizona, has been at Camelback since it began. The Assistant Principal for Student Activities, he is very closely connected with almost every school event. He is responsible for student discipline, for insuring each student's welfare, and for supervising the work of the Dean of Girls and Boys' Advisor. Besides being responsible for correction of disciplinary cases and the organization and direction of all students activities, he serves as athletic director. In spite of these demanding activities, he is always receptive to new ideas and suggestions.

As Dean of Girls, Miss Carolyn Lane helps Mr. Le Sueur to co-ordinate student activities. A native of Miami, Florida, Miss Lane has been at Camelback for seven years. She is responsible for correcting the girls disciplinary problems, and is always willing to counsel with the girls and their parents to try to solve any misunderstanding. Miss Lane can usually be found in the Activity Office or around the campus busy with her many duties. Miss Lane is admired and respected by all Spartans for her understanding and fairness.

Miss Carolyn D. Lane

# ADMINISTRATORS

Mr. Hayden Craig is just finishing his first year at Camelback as Boys' Advisor. This young administrator from Bloomfield, Iowa is responsible for attending to the boys' disciplinary problems. He works with the Student Activity Office handling general discipline on the campus and at all school events. Although he is a newcomer to Camelback, Mr. Craig has taken an active part in campus life. He has become one of the best liked members of our faculty.

# LIFE AT

From practical vocational education to stimulating brain study to counseling of the spirit. The Camelback education system is well qualified in all of these areas. In the top picture a student in Homemaking is learning how to put together a dress. The library is always quiet and used for various ways of research and study. The counseling department is always open to any student who has a problem in any field.

# SENIORS

1960 Senior Class Officers are seated: Pat Trujillo, Financial Secretary; Susan Finley, Secretary. Standing are Ron Ramsayer, President; Rusty Carney, Vice-President.

The Seniors of 1960 completed a full year of activities ranging from the sale of class pins to the all night party after graduation.

During rodeo days the Seniors sponsored a rodeo dance, which is the finish of the annual beard growing contest. At this time, it is almost impossible to turn a corner without seeing one of the fuzzy-faced boys roaming around the campus.

The climax of the year comes at graduation time, when Camelback will lose one of its greatest classes of Seniors — the class of 1960.

# SENIOR ACTIVITIES

Jeanne Garbarino

Roslyn Merritt

One of the many activities sponsored by the Senior Class was the Beard Growing Contest. Below is Susan Finley, who has an eager contestant, John Goettl, signing up for the contest. He has an "early start".

# JUNIORS

Heading the Junior Class are Jaki Laney, Secretary; Mary Anne McCue, Treasurer; Bill Hyder, President; and Phil Varney, Vice President.

The Juniors for a year now have been a proud class of Camelback High. Through the years they can look back and truly say it was a swell year. They will remember the fun they had putting together, planning, and presenting the Junior-Senior Prom. They also presented the sports dance, "Stadium Stomp", put on the Junior Class candy sale and donated $300 to the American Field Service Fund. They will always remember the constant struggle for the passing grade in American History. A lot of enthusiasm went into their victory of many sponsored projects. But all in all, they had their work and fun and now to move on to their last year of high school. They will soon be seniors and the proud leaders of Camelback High with traditions and school spirit to be upheld.

# SOPHOMORES

Heading the Sophomore Class this year are: Jim Pearson, President; Barbara Johnson, Vice President; Mary Wise, Treasurer; Peter Banko, Secretary.

The Sophomore Class officers for the year 1959-1960 were: Jim Pearson, President; Barbara Johnson, Vice President; Peter Banko, Secretary; and Mary Wise, Treasurer. The Sophomores have the distinction of being the largest class here at Camelback with an enrollment of more than 600 Spartans. The class was under the efficient and well handled guidance of Mr. Clark, Mrs. Kangieser, and Mrs. M. Nelson. The Sophomore Class Council met almost every week to make important decisions on class matters.

Various money raising projects were tackled by the class with immense success, the most outstanding of which was the peanut sale netting over $50 in profit for the class's numerous activities. A highpoint of the year for the class was the clothing drive for Sunshine Acres Orphanage. They collected four barrels of clothing, one case of food, and the Student Council gave $100 to the Orphanage. All in all the sophomores have made this year a most successful one. They sponsored a dance after the Camelback vs. Central game, called "The Football Fling," and gave $150 to the American Field Service fund. All of this couldn't have been done without the diligence and resourcefulness of all the members. They have been a part of the origin of Camelback's traditions and have helped to establish a goal for future classes to achieve.

# SOPHOMORE ACTIVITIES

Off for Sunshine Acres Orphanage with a car load of clothing, Sophomore Class officers illustrate the exuberance of the class in their biggest activity of the year.

# AUTOGRAPHS

# FRESHMEN

Officers of the Freshman Class are: Pam Smith, Secretary; Bob Porter, President; and Judy Yerman, Vice President.

The Freshman Class, under the sponsorship of Mr. Osman, Mrs. Krohn, and Mr. Jacobs, have gotten off to a fine start this year. They sponsored an after game dance which was a big success. Early this year they held their elections. Chosen to lead the Spartan Freshmen were Bob Porter, President; Judy Yerman, Vice President; Pam Smith, Secretary; and Paul Keuchelmann, Treasurer. Many freshmen entered sports, music, dramatic productions, and other school activities this year, which goes to show that even the frosh class can get into the swing of things and show a lot of school spirit and loyalty. The purpose of their council is to promote better citizenship and create school spirit among the students.

Hats off to a fine job done by Camelback's youngest Spartans!

Led by the Student Executive Board, the Student Council has done an outstanding job of increasing school spirit throughout the year. Not only did they create interest through events on campus, but also made contributions to different funds and organizations off campus.

Before Christmas, the Student Council assisted the Sophomore Class in conducting a money-making project for Sunshine Acres, a home for orphan children. The Council is in charge of raising money for the American Field Service to bring foreign students to Camelback. It has taken an active part in the Auto Safety Campaign, has provided a trophy chest, good music in the cafeteria, and has supported many other worthwhile projects through the year.

We salute this year's officers and council for a very active and prosperous year.

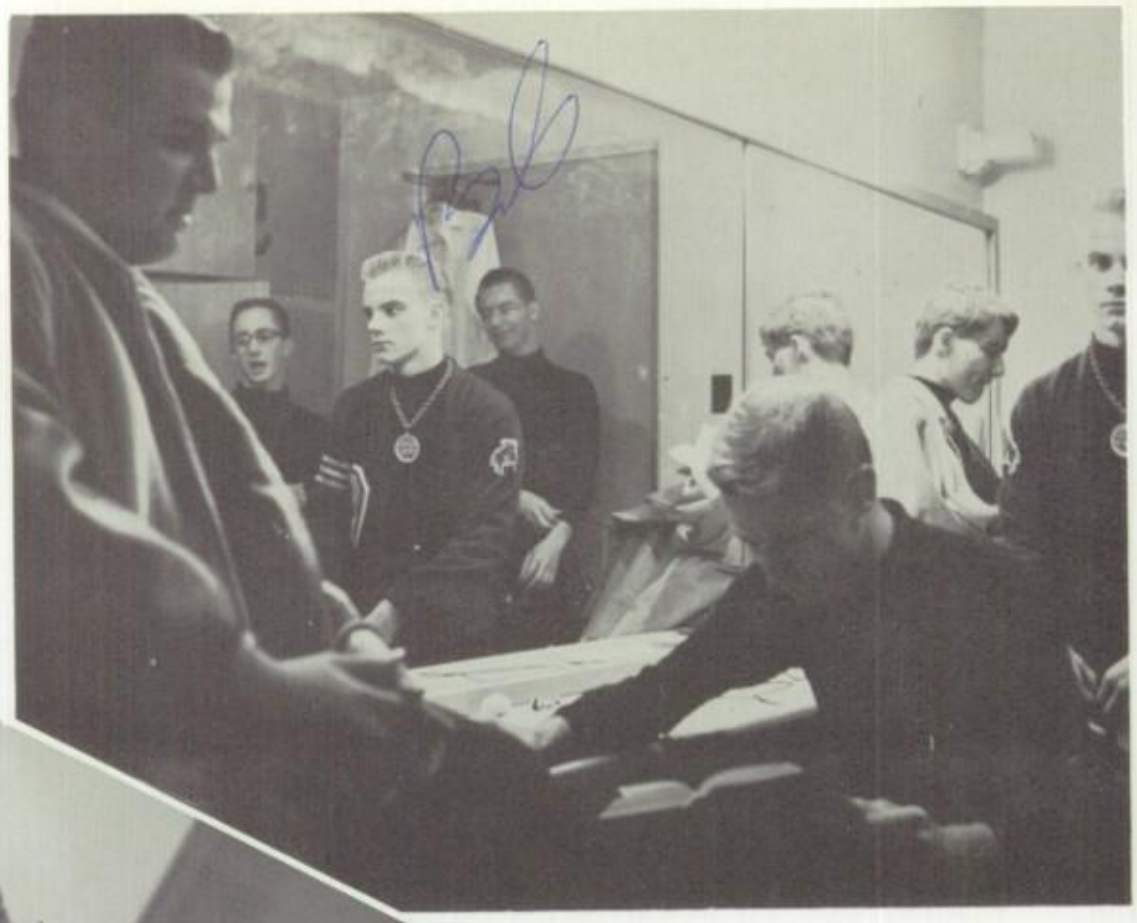
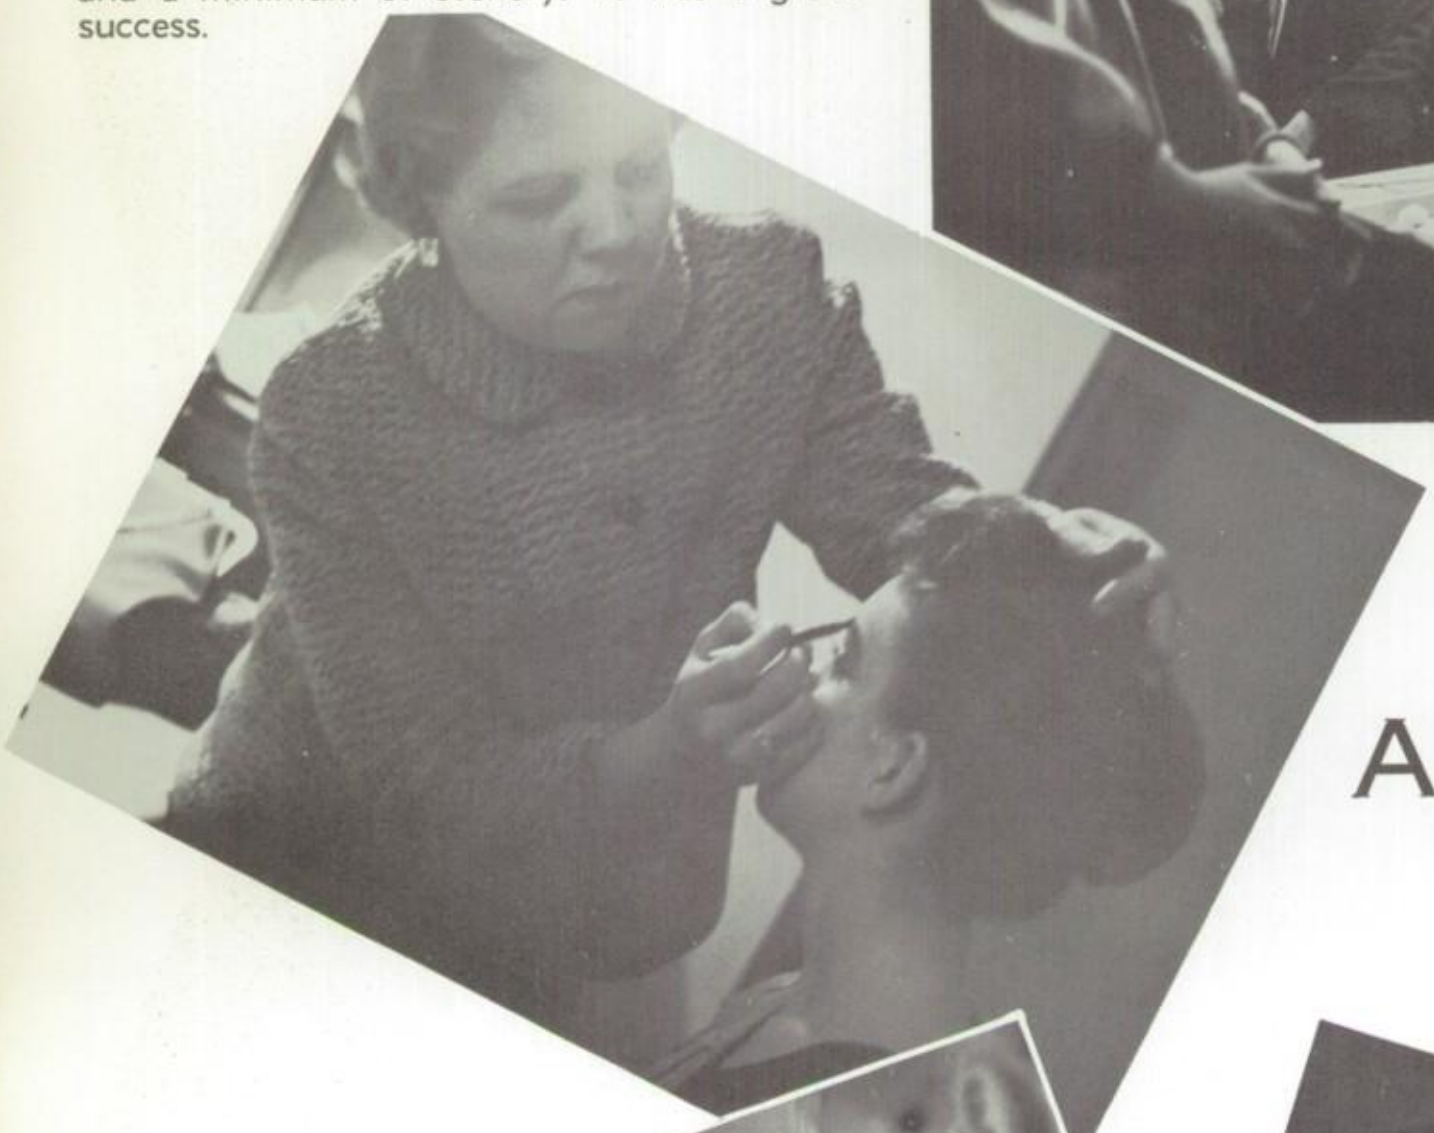
# ANTIGONE

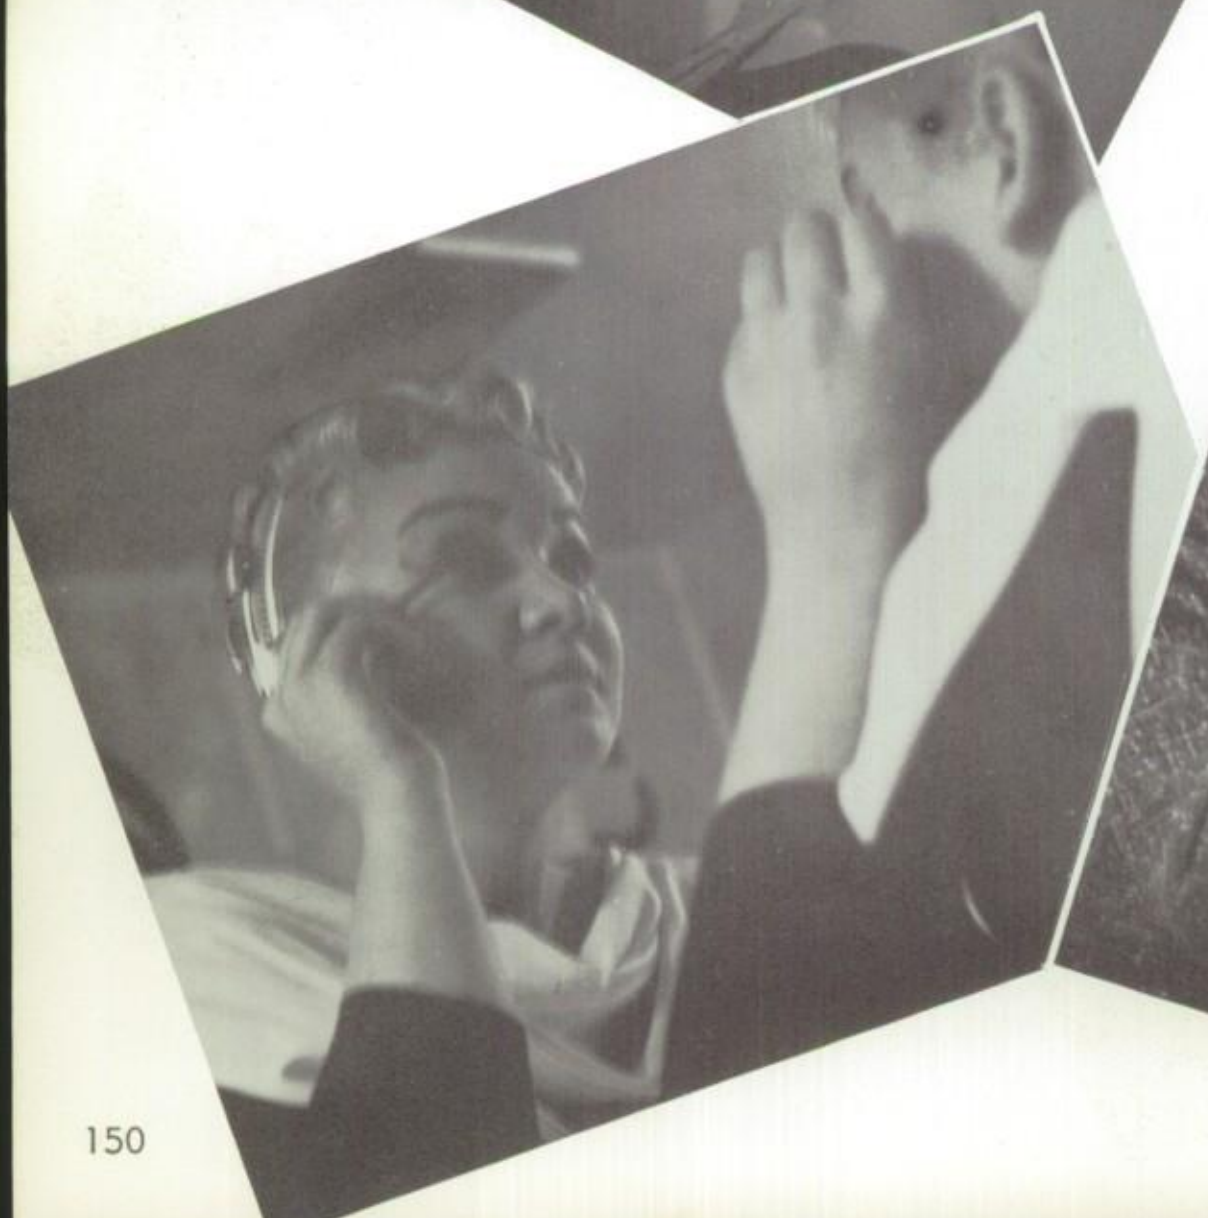
Presented in a horseshoe theater, with a many-leveled stage, the drama Antigone ran from December 2 to December 5. It was first written as a Greek tragedy by Sophocles, and later adapted for the French by Jean Anouilh.

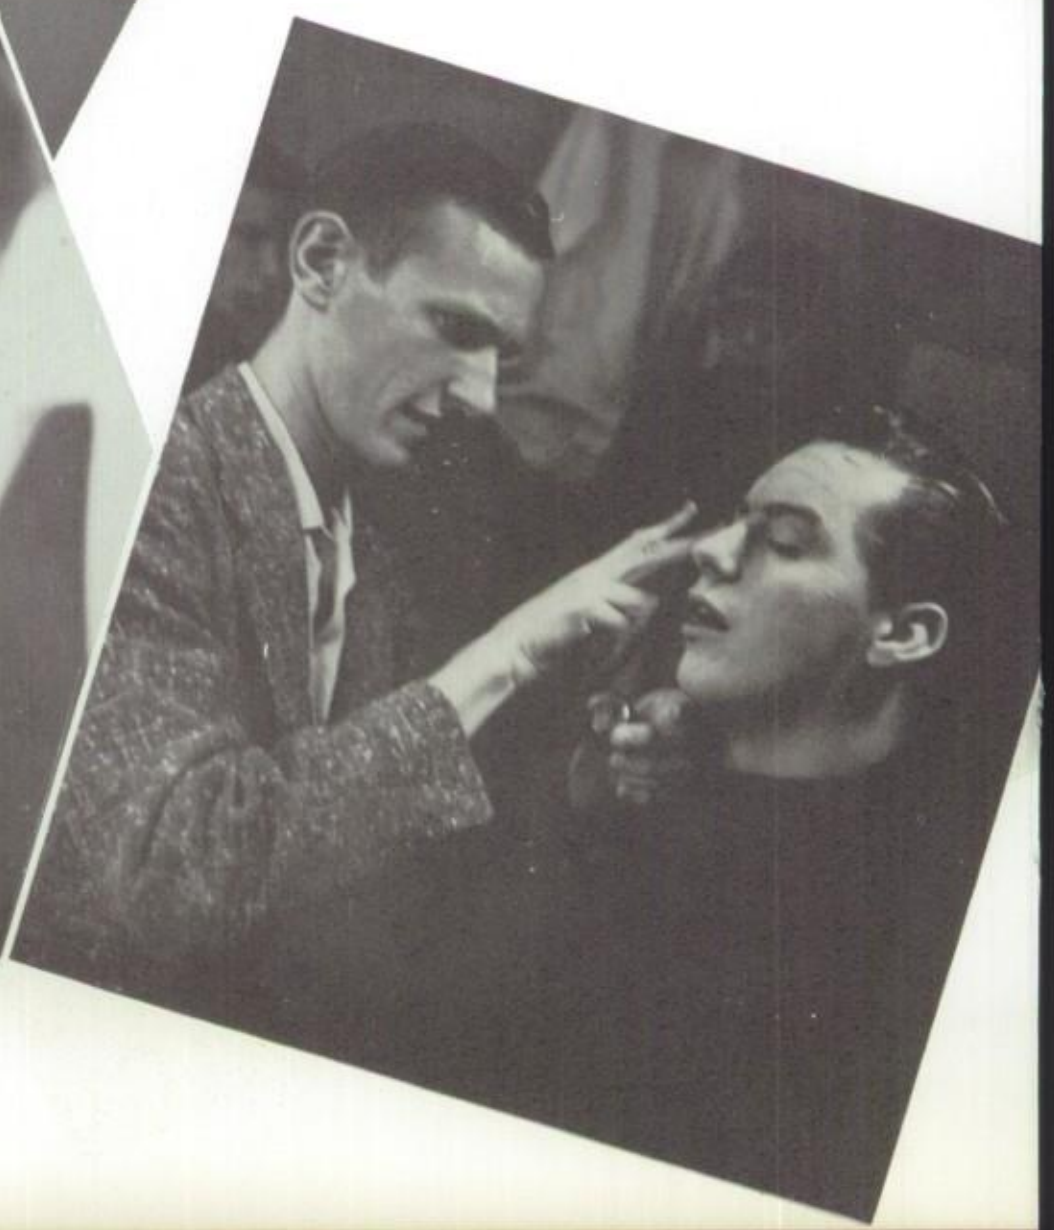
It is the moving story of a young girl who defies the king and the customs of her land, by burying her disgraced brother. This act and the inevitable chain of events that followed, caused the death of the Queen, her son, and finally of Antigone, herself.

The tragedy, directed by James Harvey, had a timeless setting, indistinguishable costumes, and a minimum of scenery. It was a great success.









Rabbits! Rabbits! And more rabbits. That is what Spartans were seeing March 30th through April 2nd when the Patio Players presented "Harvey," the story of an invisible rabbit who attaches himself to a certain middle-aged man, named Elwood P. Dowd. Harvey receives advance notice of everything and informs Elwood. This conspiracy between the two turns life for his family and friends into complete chaos.

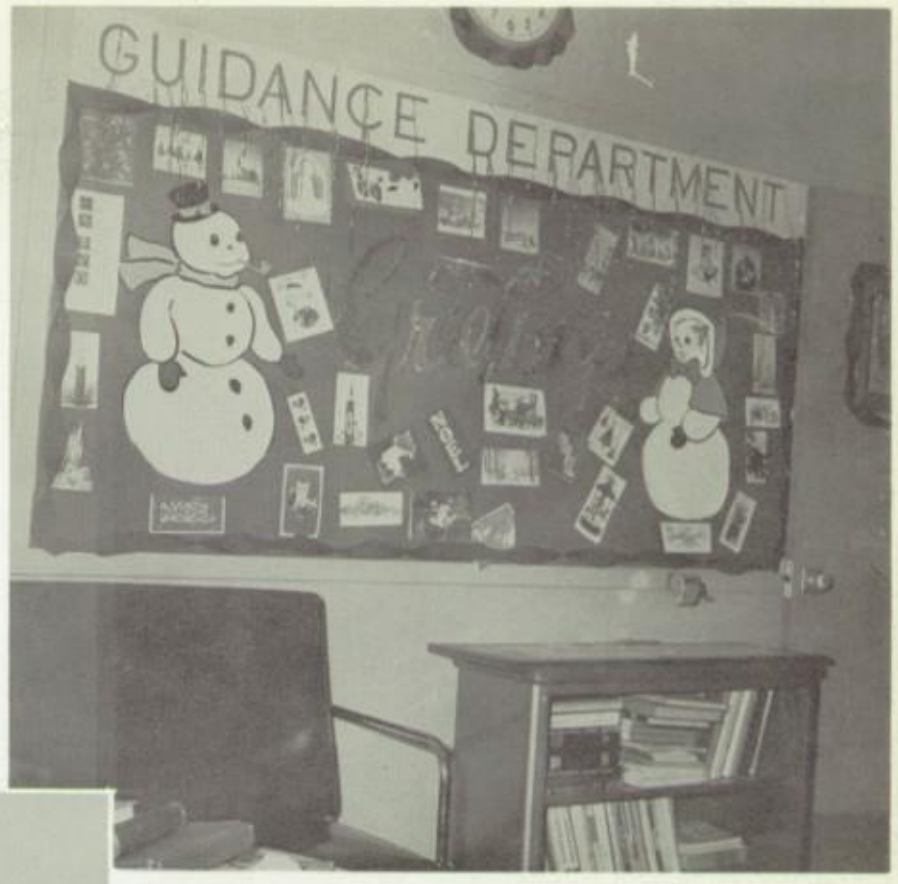
When Christmas came to Camelback High, it brought with it many festive occasions. The most prominent among these was the Christmas assembly. Narrated by Nadara Gilmore, it told of the Christmas customs in the foreign lands brought close to us by our three exchange students.

We were shown the rituals, songs, and festivities celebrated by the Greek people, the Germans, and the Swedes. The mood of the assembly was enhanced by the singing of Handel's "Messiah" by the A Capella Choir and by an impressionistic dance of the toys by the modern dance class.

This Christmas is one we will long remember for a beautiful and inspiring performance.

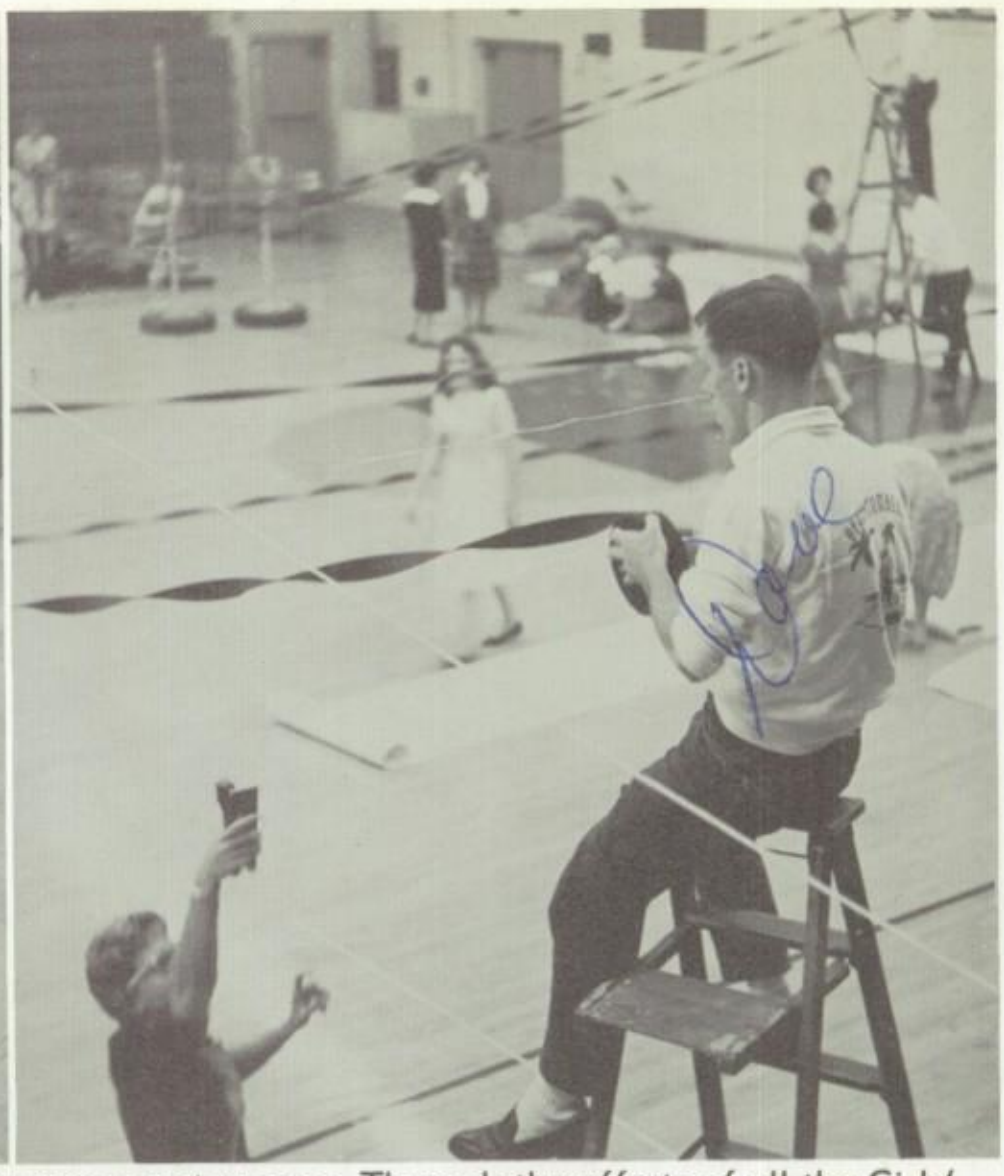
# AT CAMELBACK



**Above:** The Guidance Department was dressed gaily with tinsel and bells. The bulletin board was one of the prettiest on campus. **Left:** Our Concert Choir chartered a bus and made a trip of good will, caroling to shut-ins. **Below:** The Activities Office boasted a small tree as well as a ceiling of red streamers and tinsel and a festive bulletin board.

Christmas was also a time of giving for Spartan students. Those in the Audio-Visual and Art departments gave of their time and talents toward "decking the halls with boughs of holly." Nearly every bulletin board in the school boasted holiday trimmings before school let out for the vacation. Choir boys and Santa with his reindeer were perched atop the administration building and beautiful carols pealed over the campus.

Many fine clubs and organizations gave of their abilities by caroling at rest homes, hospitals, and private homes. Others provided clothes, toys, and food for needy families. This Christmas benefited many of the poor and needy, but the students at Camelback gained much more in their generosity.



The Carnation Ball was held on November 21, and was a great success. Through the efforts of all the Girls' League classes and the Beachcombers Club, the gym was transformed into an Exotic scene in keeping with the theme, Exotica. Dave Nelson of Beachcombers, pictured at right, is busy decorating for this gala event.

Ron Phifer, the king of three years ago, placed the crown on Mike's head.

# BEACHCOMBERS' DANCE

A lot of effort went into planning the annual Beachcombers dance, held February 6. The members of the Beachcombers Club transformed the gym into an exotic setting of grass huts and palm trees. They sold leis at the door to add a finishing touch to the native-type costumes. Music was provided by Harold Kay and his band. One of the highlights of the evening was the contest to determine the couple with the best costumes, won by Carol White and Dick Wheeler.

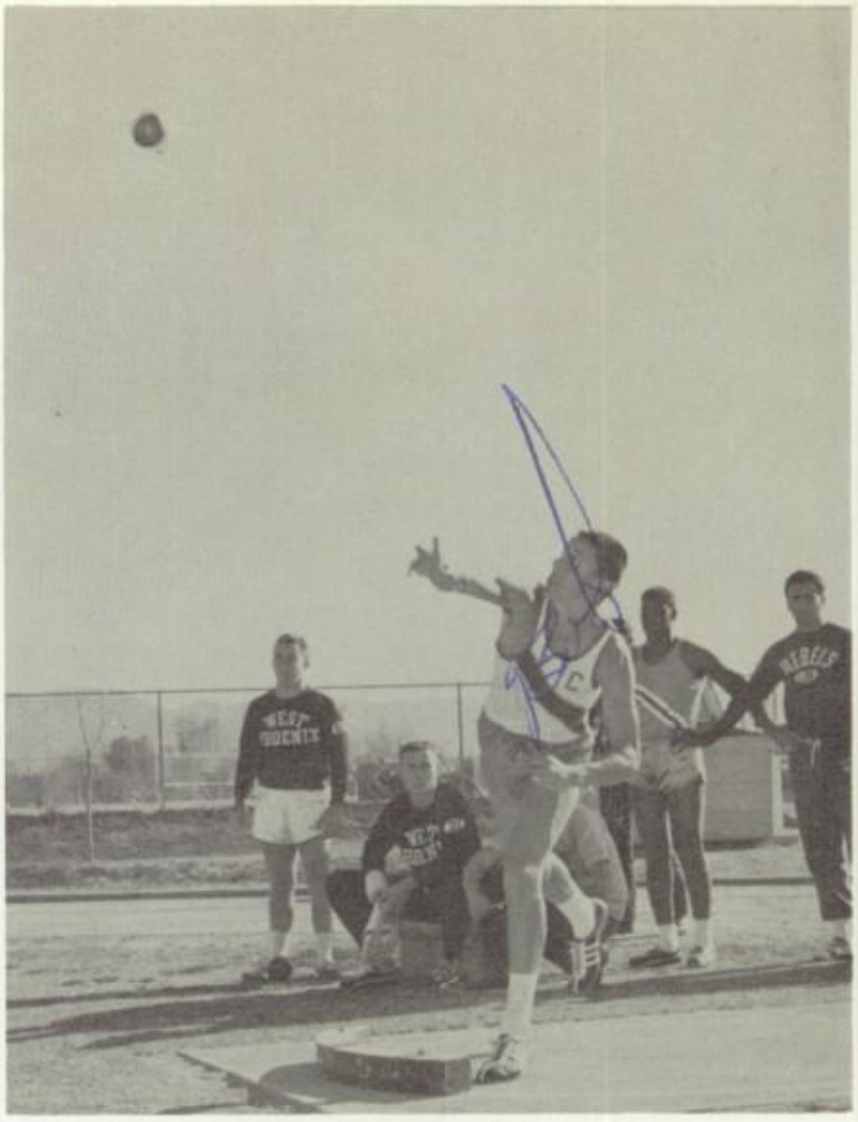
# VARSITY TRACK

This year's Spartan Trackmen started off the season gloriously. They won their first three meets and, at press time, they showed signs of a championship team.

Bill Jost crosses the finish line to be welcomed by many hands. He helped our team place high in the relays.

Farrell Holmes prepares for a landing after making a successful vault at one of the first meets.



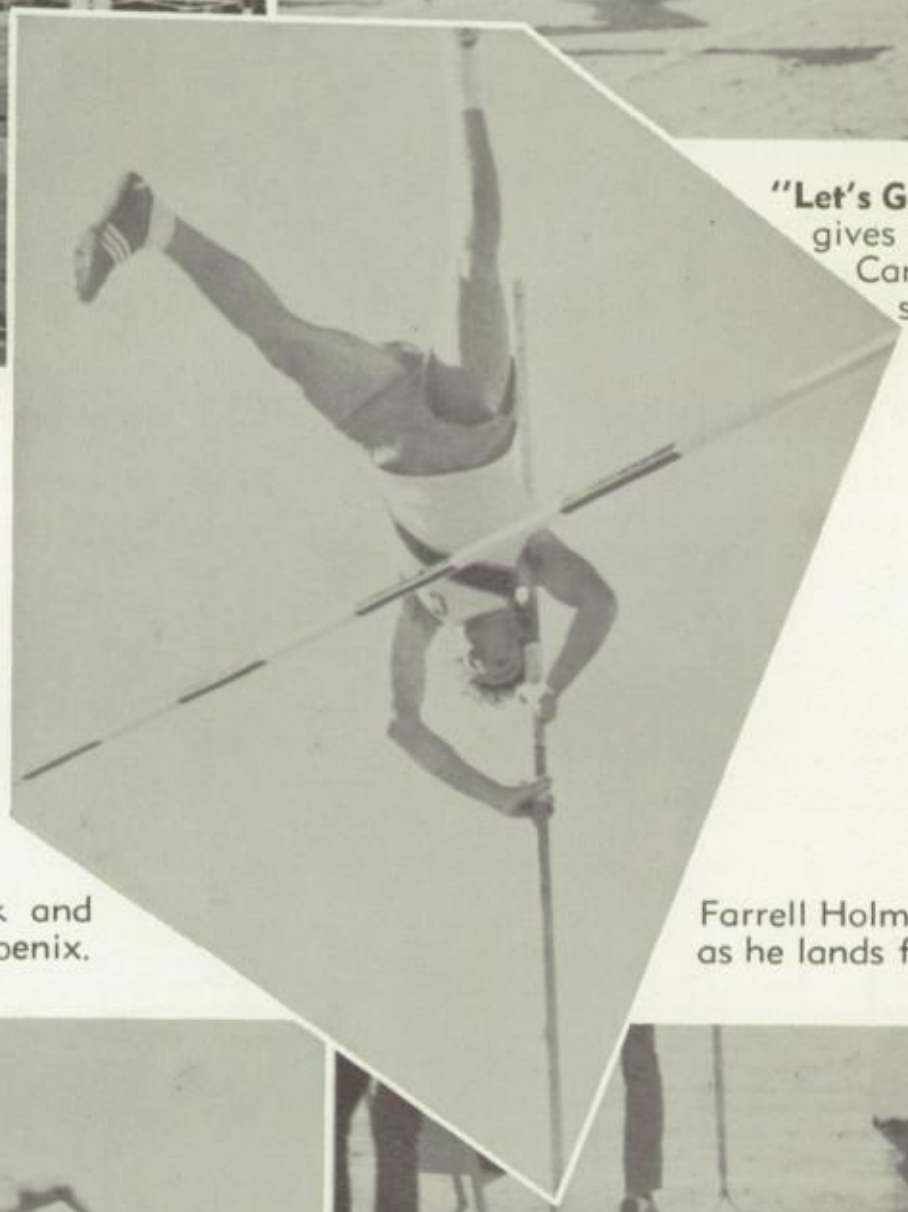
Bob Evans has just tossed the shot for a good distance in a meet at Washington High.

Larry Stephenson clears the high hurdles easily although from the expression on his face, he looks as though he is having trouble.

With his one bare foot waving, Ted Pohle clears the high jump bar.

Art Reade, two time winner of the Validus Decathalon, vaults over the hurdles ahead of all opponents.

**"Let's Go!"** shouts Dave Nelson. He gives the stick to Ted Pohle and Camelback goes on to place second in the South Mountain relays.



Doug Smith seems to be suspended in mid-air as he hovers over the bar. He made it!

Larry Stephenson is running neck and neck with a hurdler from West Phoenix.

Farrell Holmes makes the dust fly as he lands from a long jump.

Paraskevi (Voula) Tsouclidou, Camelback's other charming foreign exchange student, comes from Athens, Greece. Voula, as she is known, is the oldest of five children. Home life in Greece is quite similar to ours. Meals are a little different since lunch is served at 2:00, with a snack at 5:00, and dinner about 9:00.

Voula attends a girls' school with an enrollment of one thousand. School life is not the same because there are no clubs. However, Voula carries on many outside activities. Each subject is taken at least three times a week, but the required subjects are taken every day. During the year each student takes thirteen to fourteen subjects, many of which are not offered in our schools. Subjects such as astronomy, ethics, nuclear physics, and ancient Greek literature require a great deal of study. Voula has studied Latin, French, and English extensively.

While attending Camelback Voula is staying with Mr. and Mrs. H. B. Gerrard and their daugter, Gayle. All students at Camelback who have had the pleasure of knowing her will be sorry to see Voula leave for her homeland.

**Top:** At the Girls' League Fashion Show Voula was one of the guest models. Here she is shown in a beautiful white formal.

**Left:** Mrs. Gerrard, Voula, Mr. Gerrard, Gayle.

# FOREIGN

This year Camelback was honored with the arrival of its first male foreign exchange student. Claus Bunnenberg, who was born in Jena, Germany and later moved to Hanover, finds life in America quite different from life in Western Germany.

Claus thinks one of the greatest differences is the small amount of time the American family spends together. In Germany the whole family eats lunch, the main meal of the day, together. Mr. Bunnenberg, who is an architect, has his office at home. Mrs. Bunnenberg also spends much of her time at home and sometimes helps her husband with his work.

Claus has been a wonderful contribution to Camelback. During the year, he has been active in King's Club, Key Club, Student Executive Board, Senior Council, Math Seminar, and International Club. Camelback students had a taste of Claus' acting ability when he was chosen to act in the play "Antigone." This was a great achievement for him since he has had some trouble with English. Claus spent the year with Mr. and Mrs. B. Lee Johnson and their son David.

**Top:** Claus chats cheerfully with Mary Ellen Ross and Bob Fenner at one of our first school dances. In the background are Sandy McCurdy and his brother Dave Johnson. **Middle:** Claus is shown with his father and mother, Mr. and Mrs. Alfred Bunnenberg and his sister Brigitte Bunnenberg on the streets of Bremer. **Bottom:** Claus is shown being made up for his part as a guard in "Antigone."

# DORRIT KRABBE

Dorrie, as she is known around campus, came to Camelback at mid-term. She is a foreign exchange student under the American Field Service Program who was transferred here from California. Dorrie comes from Helsingor, Denmark, which is twenty miles from Copenhagen.

Dorrie is very interested in jazz and classical music. In Denmark she played the kettledrums in a symphony orchestra. Dorrie is also very talented artistically and can always be found sketching something. Dorrie's great ambition is to become a psychologist.

Dorrie has been staying with Mr. and Mrs. Joe M. Reavley and their daughter, Linda Jo. Camelback was very happy to have Dorrie join our student body and we'll hate to see her leave.

In the fall Camelback students had the opportunity to attend the National Conference of Christians and Jews. After attending this meeting they were more able to understand today's racial problems. Delegates to the conference were:

**Front Row:** Voula Tsouclidou, Patte Timmons, Jo Stewart, and Wendy Tuch.

**Middle Row:** Lloyd Leech, Judy Kekar, Pat Miller, and Ron Ramseyer.

**Back Row:** Jerry Martin, Russell Mosser, Claus Bunnenberg, and Fred Kuechelmann.

Dennis Diestler

This year's valedictorians are Dick Smith and Ann Powers. They both had a perfect 1.0 grade average. Both Dick and Ann have been very active in outside activities as well. They have also been awarded several scholarships apiece for their outstanding work.

Dennis ranks second in the graduating class. He is also a very active student off campus and has won many awards for his scientific achievements.

# ATHLETIC AWARDS

Senior Bill Jost showed great strength and skill in Cross Country Track this year. Bill, who placed first in the State Cross Country meet at Papago Park, is shown proudly displaying his trophy.

A member of Dad's Club discusses some football tactics with Mr. John Tanner at the annual Football Banquet. In the background, Coach Endres talks with Coach Widmer and one of the players.

Talking with Coach Lionel Goar are Larry Harris, Art Becker, and Tom Whitelock, who were named to all city basketball teams, and Buddy Clark, who received Honorable Mention in All State Competition. All four of these boys helped our team make an excellent showing in the all state tournament.

What did you enjoy most this year? Was it the mad rush to the cafeteria only to discover you could not take your books inside? Maybe you were in the lucky bunch that went to Yuma in the busses. Remember the riot we had and the long trip back to Phoenix with sleepy eyes at 3 A.M.? Early in the year a spectacular hail storm struck and many teachers let their students go out in it. In the middle picture on the right side Mike Emmett is having a hail stone fight with Allan Gorman (not pictured). Everybody likes to ditch and even a little legalized ditching is fun. At the tournament at Tempe more than a thousand students attended even though they had to return for their sixth period class.

To most of you who read this book, it is only a memory book of your year at Camelback. But, to the staff who put it out, it represents a year full of hard work, long, tedious hours, sweat, and sometimes tears. I want to express my heartfelt thanks to our marvelous staff, the smallest ever, for the fine job they have done on this, the biggest book Camelback has yet produced. The faculty, printers, administrators, and photographers also deserve praise for their understanding and co-operation. Finally I want to thank the sponsor, Mr. H. P. Garrett, who not only guided me with the "Shield", but whose association has meant a great deal to me personally for the last four years.

Another year is gone. But we are still young; our work is not finished for we have so much of our lives ahead with countless hills and crests to conquer. May I send with you all my best wishes in your future ascents.

Ellen Rea

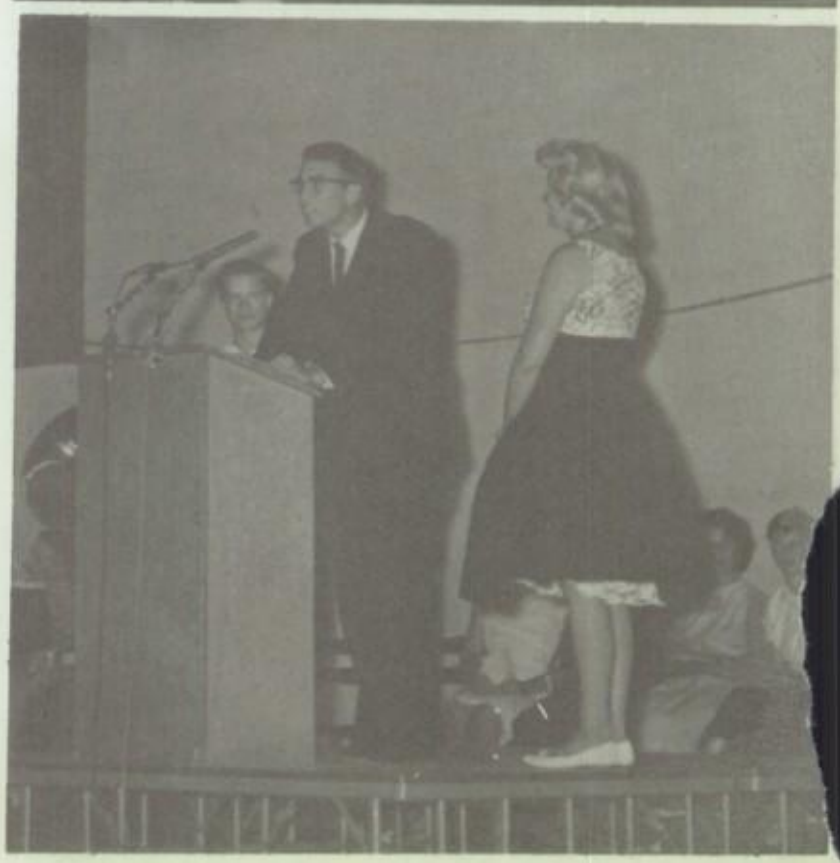
## SENIOR BANQUET

This year the Seniors held their banquet at the lovely Ramada Inn on June 1. After enjoying an excellent dinner, awards were presented to the Senior "mosts". Among them were the "prettiest girl" (Shirley Morrison) and the "cutest couple" (Karen Cristea and Jon Victor). Rusty Carney read the Senior Prophecy, and everyone went home.

## GRADUATION

1960 Commencement excercises were held at 8:00 P.M. at the Spartan Stadium. After several excellent speeches, the graduates marched up to the stage to receive their diplomas from Superintendant Bruce Moore and Principal John L. Tanner. A reception was held in the quad after which the jubilant graduates went to Paradise Inn to enjoy their All Night Party.



# FAREWELL ASSEMBLY

A Crew to Man a Ship

Horizons glow with the breath of morn,
To light our goals for years to come;
But horizons fall when days are done,
We must steer our own way through the coming storm.

With sad, sad hearts we leave our ancient piers of home,
And heave into life's cold black sea;
But, Hark! the straining sails sing in a different tone-
" Step high there mates and fly with me."

For there's excitement to be had out there,
There's restless winds, and shoals and isles of gold;
Oh come with me, take but your youth and leave your cares,
To seek the fresh new life with challenge untold.

Cry, Oh yes, cry when your lighthouse passes out of sight;
But let your tears wash clean your eyes:---Then let's be free!
And set our ship before the wind,
And steer into that Fortune Sea.

Rolf D. Arndt

This poem brought the 1960 Senior Farewell Assembly to a close Sharon Grimes won the most spirited Spartan award, Sue Finley presented the most outstanding Freshman Award to Charlotte Mills, the Pom pon girls and Cheerleaders danced their last dance, Dolly Jordan and Nadara Gilmore told the story of the Class of 1960, then the weeping Seniors marched out of their gym into the sunshine two by two.
